The Western district that is surrounded by money, women, violence, and bullets1
The Beautiful Death Magic District, IKE-BUKURO

There are 2 groups that are fiercely fighting over Bukuro station
The "Eastern Sword Castle" based in the Nanpa Coliseum in the Sunshine Building at "Seibu Ikebukuro"2

1 fugu [Trans. Note] Not just women, but prostitutes. The reading for the kanji is given as "women" though.

2 fugu [Trans. Note] The kanji for Ikebukuro is interesting. Seibu is "Western circle", the Ike part is the same (pond/lake) "bu" is "dance", used as circle/area above, and "ku" is difficult, painful. "ro" is tears.

Bye Bye
